## MESSAGE

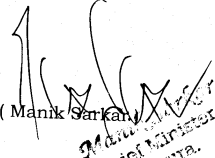

---

**I**t gives me immense pleasure to learn that the Confederation of Indian Industry (CII) is bringing out a Directory of importers and exporters of Tripura.

The foreign trade of Tripura, which is almost entirely with Bangladesh, has increased from a meagre about Rs. 4 crores in 1995-96 to over Rs. 163 crores in 2009-10. It is indeed heartening to learn that there are already more than 200 importers/exporters in Tripura. The recent agreement signed between India and Bangladesh has opened new vistas for further development of the trade relations between Tripura and Bangladesh.

I compliment CII for this timely initiative of bringing out a Directory of importers and exporters of Tripura. It will certainly help in providing an identity to the importers/exporters of Tripura and will greatly help in further increase in trade between Tripura and Bangladesh.

I wish this initiative all success and hope that CII shall continue to work for promotion of friendly business relations with Bangladesh in the time to come.

  
(Manik Sarkar)  
Chief Minister  
Tripura.

## MESSAGE

---

---

I am extremely pleased to know that the Confederation of Indian Industry (CII) is bringing out a Directory of the importers and the exporters of Tripura.

As Tripura is landlocked, efforts are on for strengthening ties with Bangladesh. It is indeed heartening to learn that there are more than 200 exporters and importers in the state. This has happened mainly due to the steady & gradual economic growth and the improvement of infrastructure at the land customs stations in the State.

The recent agreements with Bangladesh have also begun to reap benefits and we believe that Tripura would certainly be the "Gateway of the North East" in days to come.

This effort by CII would certainly help exporters and importers in giving them an identity and also act as an important document for importers and exporters from across the border in identifying their counterparts in India which would further strengthen trade relations with them.

I wish CII, all the best for their sincere effort and hope to see them playing a proactive role in bridging ties with our neighbours especially Bangladesh.

  
(Jitendra Choudhury)

Chairman-CII North East Council

## MESSAGE

**A**s part of its ongoing efforts to encourage the economic development of the North East, CII is publishing this Directory of the Importers and Exporters of Tripura.

This Directory, which is a compilation of more than 200 exporters and importers of Tripura is brought out at a time when relations with Bangladesh are improving and it is expected that trade with Bangladesh will increase manifold.

The infrastructure for border trade at the Tripura border has improved over the years and CII hopes that with sorting out of transit issues with Bangladesh, trade will further go up.

CII thanks the State Government and particularly Shri L.K. Gupta, Principal Secretary, Department of Industries & Commerce of the Govt. of Tripura for supporting this initiative.
