BRIEF FOR EMPANELMENT OF AGENCY FOR SURVEY OF PMEGP AND SWAVALAMBAN ASSISTED UNITS/ ENTERPRISES.

Background

Ministry of MSME has launched Prime Minister' Employment Generation Programme (PMEGP) which is being implemented through KVIC, TKVIB and DICs in urban and Rural areas. Under this scheme unemployed beneficiaries may set up the project upto Rs. 25.00 lakhs by availing Bank finance through Public sector banks as well as cooperatives and private banks in the State. KVIC is extending Margin Money subsidy @ 25% and 35% in case of the project located at urban and rural area respectively.

Besides, another type of self-employment generation programmes viz. Swavalamban, a scheme of the State Government is being implemented in the State. Bank loans and Government subsidies are being provided to unemployed youths to start their own enterprises under these programmes. There is no restriction in respect of age limit, income, education qualification bar for availing bank finance under this scheme. The beneficiaries are provided backend subsidy @ 30% of the project cost, maximum limit of Rs.1.00 lakh per project. A large number of beneficiaries have been financially assisted for creation of employment opportunities since inception of the programmes in the State.

1. Purpose:

To know the present status of the beneficiaries and the their units established with the financial assistance under these schemes, a field level survey of the units would be taken up for collection of data/ information in prescribed format from the enterprises and subsequently a database would be prepared on the basis of data collected from the field level. For collection of required data, a surveyor have to visit each and every unit set up with the financial assistance under these schemes in various parts of the State. Besides, financing bank branches have to be visited for collection of information regarding the repayment of bank loan, amount of subsidy received etc.
