

NO.F.DI/TIS/SUB/4-2(21)/2006/P-III/ 8975-86
GOVERNMENT OF TRIPURA
DEPARTMENT OF INDUSTRIES AND COMMERCE
AGARTALA : TRIPURA

Dated, Agartala, the 3rd July, 2018.

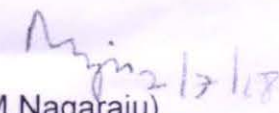

NOTIFICATION

Subject: Submission of claims under State and Central Packages of Incentive Schemes – stipulated time limit.

It is observed that applications claiming subsidy under State and Central Packages of Incentive Schemes are often submitted by the Industrial units without all required documents. In many cases documents are submitted by claimant units after persuasions from the Department, thereby causing delay in disposing of claims of subsidy.

2. In view of the above, the Government considers it expedient so to consider and dispose of all industrial subsidy and incentive claims in a time-bound manner.
3. Now, therefore, it is notified that henceforth all industrial subsidy and incentive claims under State and Central Packages of incentive/subsidy schemes shall have to be submitted along with all documents as per requirement under the respective schemes and other additional documents, if any, asked by the Department of Industries and Commerce. The date of receipt of any subsidy proposal in complete form i.e. accompanied by all requisite documents shall be considered as the final date of receipt of the proposal by the Department. Admissibility of claims in respect of time stipulation for submission of claims, wherever applicable under State and Central Schemes, shall be determined on the basis of final date of receipt of complete proposal only.

This will come in to force with immediate effect.

(M.Nagaraju)
Principal secretary.
